February 2021

1 Task 1

1.1 Formalities

Certain formalities surround the bachelor thesis, which are specified in the curriculum [1], as well as a specification for the bachelor thesis from 2020 [2]:

- The thesis is always written on the student's 3rd semester
- It can be done individually or in groups of 2-4 people
- It covers 15 ECTS points
- It has a maximum page count of $40 + 20 * numberOfStudents..$
- It can be written in either English or Danish

1.2 The project

In broad terms, the student(s)

”...investigates a softwarerelated problem, propose a solution, and does some implementation to demonstrate the solution. The student should strive to include elements from the courses passed during the programme (Large Systems Development, Databases, Testing, System Integration).” [2]

A full recommendation of suggested components of the report is also found in section 3.1 of [2].
